

Clifton Hunter High School

Disaster Management Team

Evacuation Route

During all evacuation exercises, which include but not limited to, Fire Drills or Earthquake; we will follow the following evacuation Route unless otherwise stated.

GOLDFIELD

All persons in GOLDFIELD Academy at the time of the evacuation will exit the campus through the Public Works Department (PWD) building. Continue along Aspiration Drive heading east. Please enter the Field/Playing Field through the GATE located around 100m along the roadway and assemble at the designated Muster Point (MP).

CIMBOCO

All persons in CIMBOCO Academy at the time of the evacuation will exit their site and enter the Field/Playing Field through the GATE by the Physical Education (PE) changing room and assemble at the designated Muster Point (MP).

LADY SLATER

All persons in LADY SLATER Academy at the time of the evacuation will use the GATE by the Uniform shop and/or the GATE by the Lady Slater's Office walk along Olympic Way then enter the Field/Playing Field through the GATE on the North side.

All Administrative, Canteen, Maintenance and other staff should follow the route of the Academy closest to their location at the time of the evacuation. Further instruction will be given to these individuals regarding evacuation procedures.

NOTE: If you are not in your academy at the time of the evacuation PLEASE DON'T try to return to that Academy. Just follow the evacuation route of the Academy you are when the Emergency Alarm sounds.

Thanks for your Kind Support
